

Incident Notification

Incident Date: February 5, 2017

Title: **Tractor-Trailer Road Incident**

Description: A tractor-trailer carrying a full load of 46 drums of U3O8 uranium concentrate from the McClean Lake mill slid off the road about 20km south of Wollaston Landing and is in the ditch. There are no injuries. The trailer is upright and does not appear to be damaged.

Resolution: A tow-truck is on its way to the scene to pull the tractor-trailer out of the ditch and take it back to the McClean Lake Operation where the trailer's content will be inspected.

Effect: No effects to the environment and no worker/public health or safety effect expected.
